As we leave for school in the morning, whether on a bus, driving a car, or riding with a friend, we find ourselves traveling down windy country back roads. As we leave from school to go home, go to practice, travel to a friend's house, head to the Friday night football game, or a bonfire out in the sticks, we again find ourselves on these same back roads. The Richmond County back roads are our foundation, just as Rappahannock High School is our foundation for the future. As freshmen begin their journey down the long road of high school, they are nervous and excited to take new classes with new teachers in a new school. The freshman experience the excitement of their first high school Pep Rally and their first Homecoming dance. They get to join new clubs and take more challenging classes. Sophomores may be less excited about coming back to the same school, but they are definitely excited about the prospect of obtaining their learner's permit and driving the back roads for the first time. Juniors get their license and feel comfortable both on the road and in their school. Just when they thought there was nothing new to discover, they get the opportunity to take AP classes for the first time and look forward to attending Prom for the first time in the spring. Seniors come back to school in the fall excited to reach the end of the road, but when they finally do, they realize that the journey they traveled may not be something they want to so quickly leave behind. The back roads of Richmond County and their journey through Rappahannock High School, led the seniors to be who they are today. It has helped them determine their direction in life as they begin to attend college, enter the military, or begin jobs that will lead to an occupation. Some will stay and some will go. Some will return to relive the memories and some will never look back. Whatever their plans, they will never forget where they got their start. . . on the *Raider Back Roads*.

11th grader, **Ken Pierson**, heads to the sidelines to get directions from Coach West.

This season the varsity football team had an 8-4 record. One of their major setbacks came when several ended up on the injured list, including: Romeo Jackson with a dislocated shoulder; Ryan Martin with a broken thumb; Triston Sebra with a sprained knee; Devin Sisson with a sprained neck; and Tevin Fisher who had a concussion. But like always, nothing seemed to keep the Raiders down as the majority bounced back, while others on the team picked up the slack in true Raider fashion. Some of their most exciting games would come against district rivals as well as some of their most disheartening defeats.

One aspect that stood out this year was the defense, who stopped most of their opponents in their tracks. If asked, many of the players will say that one of the most memorable games was against W & L when Marquise Lanier was ejected due to a controversial call the could have gone either way, but in the end cost the Raiders the game. And of course, the game that stands out as the upmost exciting would be against Middlesex, where the Raiders squeaked out a 14-13 victory.

JaQuan Thompson, junior, fends off a W & L defensive end as he heads toward another win.

Varsity Volleyball

This year's RHS Varsity Volleyball team came out strong with their first win of the season against Middlesex. As the season continued, they became a well organized unit even through their trying times as a team. One of the highlights of the team was the weekly secret pal and the looking forward to the little surprises found in their lockers each day.

If asked what game stood out the most, the majority of the players would say senior night when the team seemed to play in perfect unison while anticipating each other's moves. It was a night they were as perfect as they could ever hope to be, and the score echoed this. Working hard all season would bring them to a 10-11 record for the year and a deep feeling of closeness they had not had before.

Cheerleading

Often not given the credit they deserve, the ever cheerful young ladies of the RHS Cheerleading squad helped to carry our football and basketball teams and their fans through the fall and winter seasons. However, one of their greatest accomplishments came at the district competition when they won 2nd place and the right to travel to Regionals. Out of the 12 competing teams, they came in 6th place in the Region A competition. The competitions were only one of several accomplishments as they have worked hard to add more tumbling to their routines. Their spunk and spirit truly make them Raider's best.

Tenth grader, **Avery Beale**, outruns the defense to score the touchdown.

This season the JV Raiders were often overlooked by their peers. As a JV player, the boys must set the standard on and off the field as they may be a future varsity player. Although the record 4-5 does not deem to be anything special, it does not tell the story behind those scores. Over half the team were eighth and ninth graders who were considered in some cases as leaders. Of course, there were those players who stood out as well and made an appearance on the varsity level during playoffs. They were: Brock Belfield at quarterback, and Devin Sisson at wide receiver. All-in-all, the JV Raiders showed that they were ready to take it to the next level.

JV Volleyball

This season started off with new gym floors, the smell of fresh paint as you walk through the gym doors. As the first game began, our JV girls came out aggressive and ready. First game was a win over West Point and they finished the season with 11 wins and 7 losses, but not once did they give up.

Spirit Week

Starting on October 7th, Rappahannock's Spirit Week began as a part of Homecoming. Monday was the beginning of Spirit week, and it was hat day; students and staff came to school in their hats, some of which stood out more than others. Tuesday was Team day, where everyone represented their favorite teams, be them football, baseball, etc. Wednesday was Mardi Gras Day with colorful masks and beads being the assignment of the day. Thursday was Throwback Day, where everyone came to school dressed up like they had traveled back in time. Finally, on Friday, it was time for each person, teacher and students alike, to represent his or her class with the class colors.

The Pep rally was the culmination of Spirit Week and was held in the gym during 4th block on that Friday. The students were called to the gym by class, with seniors first. When everyone settled down, the cheerleading coach, Coach Rombold, called out the cheerleaders to preform the routine they had worked on for the District Invitational. Next, the sports teams and players were announced (JV and Varsity Volleyball, JV and Varsity Football, and Golf). After each team member was introduced, and then it was time for each grade to take part in a cheer-off to see who could yell the last two numbers of their graduation year the loudest. Then four members from each sport team played Twister, and most were not surprised when the cheerleaders won. Next, Dawn Brooks, backed up by band members Mr. Collins, Mr. Strong, Adam Campbell, and Jacob Wineberger, stunned their audience with an awesome performance. Finally, the event everyone had waited for... and again the seniors rallied to defend last year's title by winning the Spirit Stick.

Homecoming 2013-2014

In two nights to remember, RHS students came together for their Homecoming game and dance. Student excitement built with the start of Spirit Week and culminated with the pep rally. From Mardi Gras Day to Pajama Day, students were more than ecstatic as the week progressed. By Friday, the football players were ready to let it all out on the field when they took on the Colonial Beach Drifters. Even though it was a rainy night, fans tried to make the best of it, while Raiders spent the rest of their weekend dancing the night away at the "Diamonds are Forever" theme Homecoming dance.

RHS Princesses

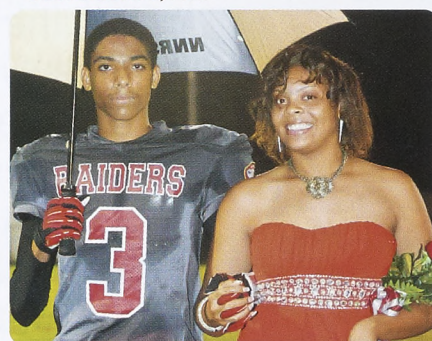

Queen Brandi

The RHS Raiders made the best of a rainy and gloomy Homecoming night. The freshman, sophomore, junior, and senior princesses were escorted onto the damp field, while not letting the rain affect their beautiful night. With sparkling dresses, ranging from long to short, the ladies looked like real princesses. Everyone waited with anticipation to find out who would be the new Queen of RHS. When the announcement came, the crowd went crazy as Brandi Mulvena was crowned the 2013-2014 Homecoming Queen. She was escorted by former Rappahannock Raider and alumni, Nick Barrack, as she received her crown.

November 13 represented another successful BETA sponsored blood drive at **RHS**. As 34 brave donors signed up for a slot between 8:30 a.m.-1:00 p.m., they readied themselves to give up their time and blood to save lives across the nation. Although it took parent consent, Red Cross representatives assured health requirements were met, and students went through the whole process that was **100%** worth it.

About the American Red Cross

Founded on May 21, 1881, by **Clara Barton**, the American Red Cross (ARC) has greatly expanded. It is a humanitarian organization that acts as an emergency response to disasters, takes blood donations, educates everyone from children to adults, and many more things. American Red Cross is the U.S. affiliate of Red Crescent Societies and the International Federation of Red Cross. As well as disaster relief, the American Red Cross also helps the needy, does community services, and comforts the families of the military. With the collection, processing, and distribution of blood, the American Red Cross saves lives daily throughout the entire country.

After being rescheduled twice, on October 21st the ladies of upper and lower classes fought to show they can play football. The coaches for the upperclassman were **Hunter Sanders, Mitchell Hale, Tevin Fisher, Bradley Stevens, and Andre Brown**; for the lowerclassmen, the coaches were **Avery Beale, Casey Roane, and Guillermo Castillo**. This year's game was different than the preceding ones because this year it was treated almost like an actual game. The teams were equipped with brand new flags, unlike the others that were old and frayed. There were lights, announcers, and the concession stand selling food and drinks. The game became more frantic the closer to the end it got. Many of the players were scraped and scratched by other players' nails and in the end, the upperclassmen won with a victory of 43 to 12.

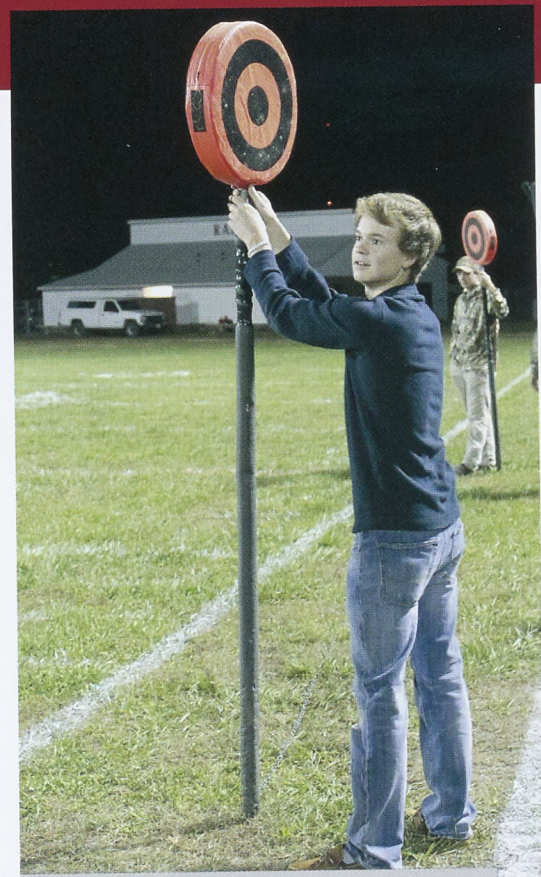

The underclassmen show good sportsmanship with a thumbs up despite the loss.

Our Town!

When growing up in a small community in Virginia, the time passes by more slowly. With each passing season, the teenagers around the Northern Neck entertain themselves with various activities like hunting, four wheeling, and enjoying the outdoors. The Northern Neck is not just a place to live, but a lifestyle that has been handed down from generation to generation.

SWISH!! The ball drops thru the net as the Varsity Boys Basketball team makes another shot. With five returning players from last year and six new comers, the team was anxious to find what style of play they would have. The team's captains, #11 **Tevin Fisher** (Senior) and #2 **Kelvonte Ellis** (Junior), were the leading return scorers from last year's season. Captain Kelvonte Ellis added, "We knew we were going to get things done this year and were going to win games." Coach Jonas Ankrom stated that, "We were a very athletic team this year, and everyone on the team could score and create great plays if they stayed focused." However, the boys took a very tough loss to the Charles City Panthers the second time they matched up. Coach Ankrom continued that, "The losses were a big eye opener to us as a team. It showed us that we needed to take better care of the ball when we had the lead in the game." Although there were several tough losses throughout the season, each seemed to fire the boys up for their next opponent. Once the dust settled and the last basketball switched through the hoop, the boys finished their season with a 9-9 record.

Varsity Girls Basketball

This year's Varsity Girls' Basketball Team was coached by Ellen Gaines and assisted by Jordan Clary. The team consisted of one sophomore, seven juniors, and six seniors. The girls worked hard in every practice, especially after a loss, and there were many highlights this season, including **Selene Epps** averaging 20.5 points per game. The team started their season off with a win against King and Queen and continued to play hard until the last buzzer sounded, signaling the end of the last game in which the team fell to Northumberland in the Conference 43 Tournament. The Lady Raiders played their hearts out in each game this season and made it their best season ever, whether they won or lost.

10th grader, **Lance Wheeler** goes one-on-one with rival opponent Essex Trojans.

The JV boys' basketball team started the season off with new coach, Mr. Patterson, who always encouraged his players to do well on and off the court. With a 4-9 record, the JV boys started off rough, but they would play every game as if it was their last one. Coach Patterson always told his players, "Hard work beats talent," and he was right all along. As the season went on and the players matured, fans could see the change from players playing as individuals to playing as a team. This helped them play with more courage and helped the JV boys in the long run.

Winter Spirit Week

Mrs. Reiner, the chemistry and Environmental Science teacher, takes a nap after a long day of teaching.

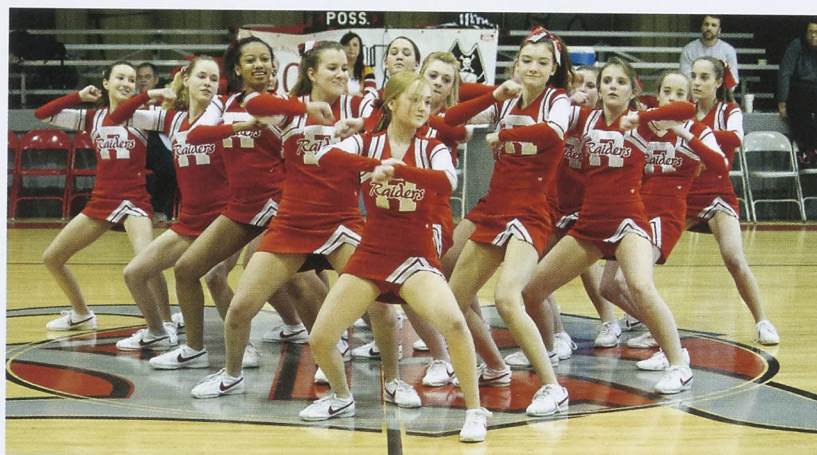

Seniors **Austin Scott** and **Kelly Brann** participate in a game between the winter sports teams during the pep rally on Friday.

Winter Spirit Week kicked off this year with a Monday full of team spirit as students wore their favorite team colors for "team day." On Tuesday, it was even harder for students not to fall asleep in class than usual wearing their pajamas on "pajama day." The school turned camouflage on Wednesday, while students impersonated their favorite *Duck Dynasty* characters. Everyone was twinning on Thursday as they participated in "twin day." Finally, Friday was class distinction day as the students prepared to beat out the other classes in the class cheer and other competitions. The seniors came out on top, earning the Spirit Stick at their final pep rally at RHS.

Mr. Collins and Freshmen **Brayden Clark**, **David Jenkins**, and **CJ Newsome** show their country side, dressed in all camo for *Duck Dynasty* day on Wednesday.

The RHS cheer squad performs their dance at the pep rally on Friday.

Senior **Amber Chatham** smiles for the camera in her comfy pajamas for "pajama day" on Tuesday.

The JROTC students and their guests dancing to the "cupid shuffle" at the ball.

Junior **Dawn Brooks** speaking encouraging words to her fellow JROTC members.

Sophomore **Avery Beale** listening intently to those speaking at the Ball.

Guest Speaker Mark Cox talks to the JROTC members about his experiences in the US Army.

Junior **Kelvonte' Ellis** puts a smile on his face while he gives a hug to his mother.

Sophomores **Takevia Gray** and **Yasmeen Pugh** smile for the camera as they enjoy their meal.

JROTC Winter Ball

The JROTC Winter Ball took place on December 20th at 7:30 p.m. at the Banquet Hall in Warsaw. The JROTC cadets, their dates, and some of the cadet's parents were invited. The evening consisted of a roast beef dinner and formal dance. The "Head Table" consisted of the highest ranked cadets: **Susan Jones, Triston Sebra, Tevin Fisher, Brock Belfield, Marisol Rodriguez, Dawn Brooks, and Brennan King**, along with **Sergeant Samuel** and the guest speaker Mark Cox. The night began with an opening speech from **Tevin Fisher**, explaining how Sergeant Samuel has changed him from a boy to a man. **Dawn Brooks** then sang the "National Anthem." Next, **Susan Jones** and **Brock Belfield** started the JROTC Creed, after which the other students joined in. The guest speaker, Mark Cox, a retired soldier, then talked about his past in the army, the missions he went on, and how the army has changed his entire life. The students thoroughly enjoyed the event that Sergeant Samuel spent so much time and money on, and they are thankful that he joined our school this year.

To be in this club, BETA students must be invited to take part. BETA students must maintain an A to high B average. These students are known for their helping out at many community events, such as Warsaw Fest, ringing bells for the Salvation Army, and participation in the Red Cross blood drive. They also sponsor events to raise money for organizations like RCLL. BETA members' hard work is constant. They are on the rise to the top not only within the field of academics but also with their leadership skills.

GOVERNOR'S SCHOOL

In ninth grade students may apply to Chesapeake Bay Regional Governor's School. Those chosen attend classes at Rappahannock Community College every morning from 8:00-10:30 A.M. until they graduate their senior year. The program includes science and mathematics classes. Governor's School provides more than just many college credits, but also the knowledge and skills needed for the real world and life itself.

First Row: Selene Epps, April Gutman, Hallie Berger, and Morgan Straughan. **Back Row:** Brock Belfield, Evan France, Paul France, Matthew Milstead, John Welch, Jarrett Gordon, and Nicholas Jett

Band

The RHS band consists of students who play at every football game and Warsaw Fest. The band also gets the cheerleaders and crowd pumped at home football games. Band is a great way to have fun and make great music for the crowd to "jam" to. The band is headed by Mr. Duncan.

First Row: Daries Brooks, Ian McGlinn, Enrique Ocegüera, Chris Fols, Ethan White, Adam Campbell, Leroy Farmer, and Carter Ann Packett. **Back Row:** Adam Hayden, Rayshawn Veney, James Brown, Bresiane Dobbins, Brandon Scott, Raven Wilson, Rebecca Gilliland, Marisol Rodriguez, and Logan Dodge.

Spanish Club

The Spanish Club, headed by Mrs. Hall, is open to any RHS student. The club takes part in collecting boxes for Operation Christmas, celebrates Day of the Dead, and takes part in fun activities during Easter. The members of the Spanish Club take time out of busy schedules to have fun and enjoy company of their classmates.

First Row: Karina Cordova, Jerrad Brown, and Alexis Packett. **Second Row:** Kaitlyn Walston, Brandi Mulvena, Keshawna Veney, Kayla Byrd, Hannah Barton, Amber Chatham, and Hannah Park. **Third Row:** Hallie Berger, Karianne Chapman, Sakinah Freeman, Kristen Childs, Mrs. Hall, Kati Robertson, Judson Park, and Tyres Parker.

Pictured: Jacob Wineberger, Austin Hall, Hunter Sanders, and Mitchell Hale.

FFA

FFA, or Future Farmers of America, are well known for their delicious boxed fruit sales within the community. Many of the members also help build and fix projects around the school.

Choir

Mr. Dungee leads the choral music program, which is a group that has had many who have excelled beyond the "normal" vocal level in yearly area choir competitions. The ability to sing is a great thing to take pride in and choir helps the students excel in their area.

First Row: Adrianna Comer, Amber Carey, Shykeila Brown, China Watt, and Kaitlyn Chatham. **Back Row:** Maha Dawod, Devin Sumiel, Brandon Scott, Dylan Hayden, Jarret Brown, Casey Roane, Charylse Tolson, and Ashley Warwick.

The Crest

The Crest consists of students from all the grade levels with most members new to the yearbook staff, but there were also a few returning students. All twenty-three of the yearbook staff members came together to put together this year's edition of *The Crest*. From selling ads, selling snacks, to taking pictures, and picking page layouts, it was very tough from the first day all the way to the last. They tried to capture every moment that is important to the RHS students.

SCA

The Student Council Association promotes school spirit through their leadership and planning of school events such as the Opening Assembly, Pep Rallies, Homecoming/ Spirit Week, the Homecoming Dance, the Talent Show, and the Awards Assembly. The SCA is lead by Mrs. Hall. Each Student in RHS is able to participate in the Student council Association through the I/E representative elected at the beginning of the year.

Scholastic Bowl

The Scholastic Bowl, lead by Mr. Collins, worked very hard to get in good shape for the Academic Bowl meets. After spending long countless hours after school pouring through different topics and discussing possible answers to questions, the group may be posed to spend time learning how to use the buzzers to signal they know the answers to the questions given to them by Mr. Collins. This team must have a vast amount of knowledge in many topical areas in order to be able to win a match for their team.

Sitting (left to right): Hannah Park, Chris Fols, Enrique Ocegüera, Alexis Packett, and Kaitlyn Walston. **Second Row:** Harli Ingram, Melissa Vaguer, and Ethan White. **Third Row:** Bailey Franklin, Mr. Collins, Caleb Park, Judson Park, Tyres Parker, Kallie Jefferson, John Welch, and Daniel Garland.

FCA

FCA allows Christian athletes to have a time where the members can interact with fellow Christians who share their faith-like values, while gaining support and encouragement. One of the activities these individuals take part in each year is the See You at the Pole, where students form a human circle around the school's flag pole and joining hands to pray for their school, its faculty, and its students at the beginning of the school year. Setting a positive influence for their fellow students within and outside of the school grounds, these individuals help to set a positive influence in RHS.

On the sign: Dawn Brooks, Constance Johnson, Forrest Williams, and Adam Hayden. **Left to Right:** Kristen Childs, Elizabeth France, Hannah Barton, Carter Ann Packett, Lexi Hanks, Kati Martin, Haley Allen, April Morrison, and Mr. Brown.

Scenario

Headed by Mrs. Alderman, Scenario was brought to RHS this year. Scenario Writing is a competitive contest, which is part of Future Problem Solving and involves students submitting futuristic writings based on a chosen scenario. Those involved compete to write, revise, and submit their works of science fiction. Mrs. Alderman started the club to give students a chance to experience new ways of writing and extending their writings gifts.

JROTC

JROTC made an outstanding entrance its first year at RHS. Headed by Sergeant Samuel, JROTC is nothing short of a challenge. It teaches discipline and readies students for possible U.S. military careers. Cadets are trained to attend competitions and perform at football games. The program is rigorous, but a great life learning experience for them.

SODA

Starting in October and ending in May, SODA students visit Richmond County Elementary school's third and fourth grade classes in order to teach lessons and work with the regular classroom teachers. These students become not only positive role models for the students they work with, but many form a very special bond with those they are called to work with as the RHS SODA students learn responsibility and leadership skills.

Hispanic Heritage

Hispanic Heritage is a group of learners who come together with the commonality of having a Hispanic cultural connection within their lives. This club gives its members an opportunity to identify with others who are like them, while taking part in many activities such as swim parties and movie night. Lead by Mrs. Vargas, the group learns about their Hispanic heritage while establishing bonds with each other that may last far beyond the walls of Rappahannock High School.

Library Helpers

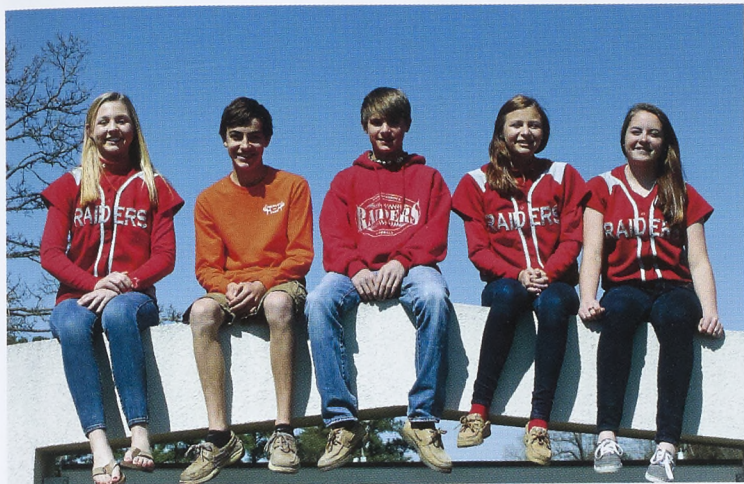

This year Rappahannock High School welcomed the new librarian Mrs. Gagnon. Mrs. Gagnon had a lot of help with her generous Library Helpers. They did a great job keeping up with books and organizing the library.

Caught Red Handed

Since the first day in journalism, the newspaper staff has been pushed as well as motivated to design the RHS's newspaper. Learning about details to include on each page and setting margins, every day there was more to write about, more pictures to take, and more interviews to schedule. This class is a fulltime responsibility, which each class member takes seriously. Without group work, revisions, and new ideas, they would not have been able to hand out their work of art. They proudly presented the 2013-2014 newspaper, *Caught Red Handed*.

Varsity Softball

The RHS softball team had a great year working as a true team. However, they are sorry to say goodbye to the seniors: **Hallie Berger, Chelsea Smith, Xenna Belfield, Summer Sanders, NaJocelyn Jackson** and **Kaitlyn Hamilton**.

The team also took part in events to support others outside of the field, such as sponsoring a game for Save Josh game and praying before playing Essex for Katherine Morris from Saint Margaret's.

One of the biggest parts of their season was winning the Conference 43 title and then going on to become the single A-1 State Softball Champs, while ending their year with a 21-2 record.

Swingin' for the Fences Varsity Baseball

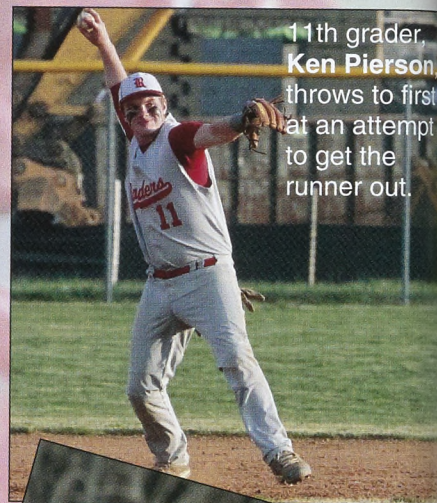

The varsity boys finished their season with a 17-5 record, and also 2nd in Conference 43. This was especially a big season for our beloved Coach Barker, who is stepping down as head coach after 12 years of hard work and dedication.

As the season progresses, the Rappahannock High School Soccer Team is maintaining their spirit, despite some of the adversities they have encountered. The Raiders have kept the tradition of being a team that does not give up and are full of determination. The Varsity Soccer team had a tough start to the season, facing losses to teams like Mathews, West Point, and W&L, but after two wins against Middlesex and another two wins against Lancaster, the team had their heads back in the game. Senior, **Kevin Adams** said in regards to the team's practices that, "We give everything we have so that we can do the same in our games." Junior, **Michael Gaines** added, "The team worked great together at communicating during the play on the field." In regards to how the team does in games, Coach Jordan Clary said, "The boys started getting out of the zone when they got scored on and got down on themselves. We needed to keep our heads up and keep working at it, which they were learning to do." The Rappahannock High School Soccer Team had their work cut out for them this year, but the team was determined to give it their all, and it all paid off. For the first time in a long time, the Raider's Soccer team were real contenders in the Conference 43 playoffs against Essex.

The Rappahannock Boy's Tennis team competed well this season. The competition seemed tougher this year in the regular season, so they were not able to move on to regional competition; however, they finished the season with a record of 5-4. With only two graduating seniors, who will both be missed, the team is young, so they are looking forward to the experience that will come back to the team next year. "This was a building year," Coach Holt stated, "We have three returning freshman next year." Coach Holt was new to Rappahannock High School this year and a great asset to the tennis team. He has been playing tennis since he was nine years old, played in college, and previously coached tennis.

Raiders taking the ball away.

Under the direction of Coach Nelson again this season, the JV RHS Soccer team is proving once again that they have what it takes when under pressure on the field. The JV Raiders began the season with a great deal of potential in players like **Leroy Farmer**, **Ronald Johnson**, **Miguel Battle**, and **Esmeralda Lopez**. Another standout would be first year player **Cameron Sanders**, who decided to play soccer instead of softball due to the urgings of her friends since she likes contact, and soccer is definitely a contact sport. Under the direction of their coach, the team worked to refine their techniques and ability to communicate on the field, and it was apparent that it payed off. From the show the fans got, it was evident that the season was an exciting one with edge-of-your-seat playing and high energy players.

Front Row: Esmeralda Lopez, Oscar Lopez, Gunnar Lemming. **Middle Row:** Matthew Delano, Miguel Battle, Carter Ann Packett, Tyler Howard, Jose Martinez, and Cameron Sanders. **Back Row:** Coach Jerome Nelson, John Welch, Ronald Johnson, Judson Park, Caleb Park, Bradley Lane, Leroy Farmer.

Ladies class rings of the night.

On Friday, April 25, RHS students were frantic to get home for the night that they all would remember for the rest of their lives. For the senior class, the night was bitter sweet. This was their last prom. Whether they had been here from kindergarten or sixth grade, this was the last dance. The last prom with best friends, boyfriends, girlfriends, and teachers who have watched them grow into the young adults they have become. The night was nothing short of amazing. From the music to dancing to the many laughs shared during the night, many unforgettable memories were made.

This year's After Prom was fun and very exciting. The theme was a 50's hippie, and it took place at 11p.m.-4a.m. on Friday, April 25, 2014. There were many activities that took part in and prizes that were won. Some of these activities included bingo, a money machine, a photo booth, basketball, mechanical bull, and much more. The different prizes won during these activities were Galaxy tablets, flat screen TVs, fishing poles, laptops, a mini refrigerator, and many more cool things. The students all had a really great time.

Hallie Berger, Brandi Mulvena, Rhiannon Mulvena, Chelsea Smith heading to graduation.

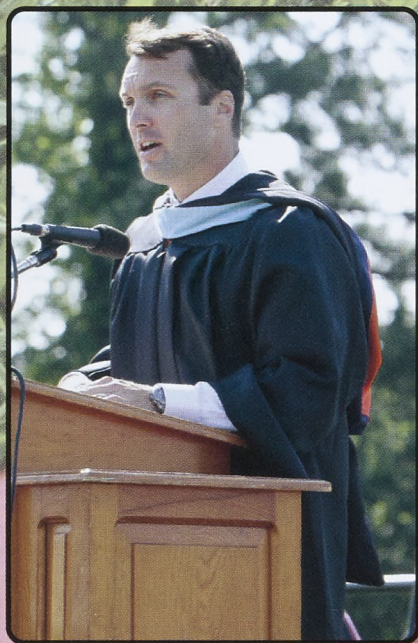

Delegate Margaret Ransone encourages students to understand that "success is not just your actions but your attitude."

Top five students (left to right), **April Gutmann**, **Paul France**, **Alayna Brown**, **Brandi Mulvena** (at state game), and **Lindsey Delano**.

Class president, **Rex Jones** waits for her turn to talk.

(left) Mr. Boyd tells students it is finally time to throw those caps as he announces they are graduates of Rappahannock High School's class of 2014 .

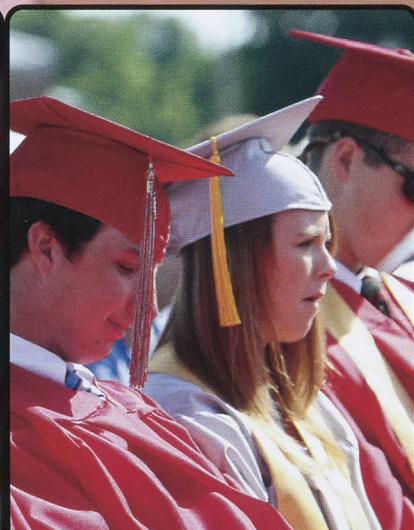

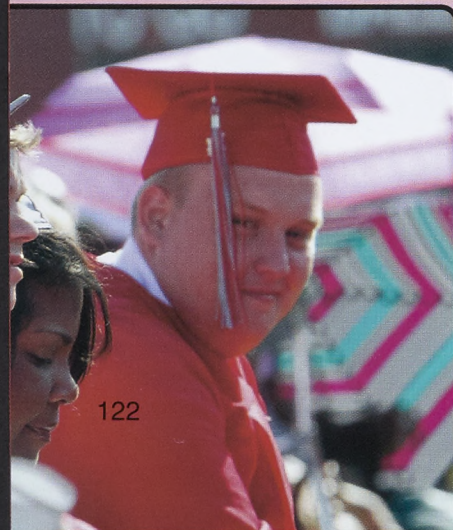

Kelona Gillis, **LaShonda' Carter**, and **Karianne Chapman** enjoy their last time together as classmates.

Ron Hook looks towards the end of his row.

Hunter Sanders and **Summer Sanders** wait for their diplomas.

Seniors pose for one final picture before lining up for graduation.

Mrs. Smith tells the students how they helped make her the teacher she was.

The moment of elation!

Friends line up for a photo moment (above right and right).

Graduates listened tentatively to Delegate Margaret Ransone's speech.

Students follow Mrs. Smith's request to look at their hands.

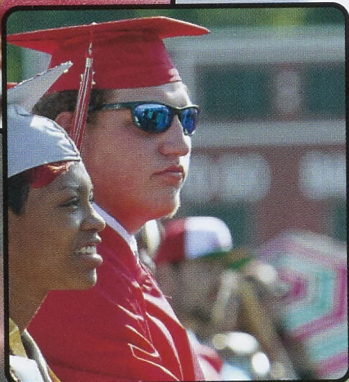

One more shot before lining up.

Amber Conley smiles for the camera.

Kayla Gordon and Mitchell Hale wait patiently.

Elton Smith, Bradley Stevens, and Kain Theriot wait their turn to stand up to receive their diploma.

The Road Ends Here

Hyte Smith

Ms. Hyte Smith has been teaching U.S. History, AP U.S. History, and AP Government at Rappahannock for the past 17 years. She is from Northumberland County, Virginia and went to college at University of Mary Washington. Ms. Smith taught at Essex High School for 15 years before coming to Rappahannock in 1997. After retiring, Ms. Smith plans to travel more, work in her gardens, and still work with students. She is looking forward to retirement but will miss interacting with students from RHS.

RETIREMENT BOUND

Jan Tatarka

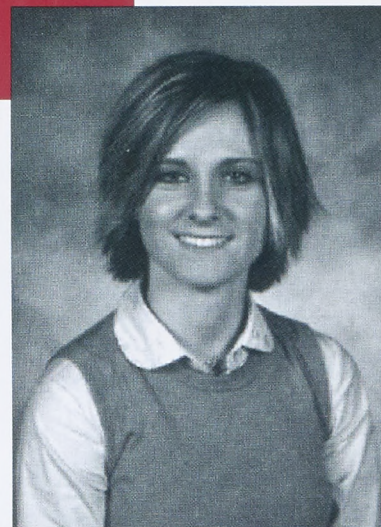

For the last five years, Ms. Jan Tatarka has served as clerk to the principal of Rappahannock High School. She was born in New Brighton, Pennsylvania and lived there until the age of 12 from where she moved to live in St. Petersburg, Florida. She stayed in St. Petersburg for 32 years. Ms. Tatarka then moved to the Northern Neck in 1997, but moved to Indiana after two years. In January of 2002, she moved back to the Northern Neck and began working for the school system in 2009. Before working at RHS, she spent 25 years working for a telephone company, during which she learned many useful skills such as management and supervision. After she retires, Ms. Tatarka plans on having fun with her grandchildren, traveling, writing children's books, and doing some bookwork for Sargent Samuels. Ms. Tatarka will be greatly missed and says she will definitely miss the students the most after she leaves.

Sally Clements Moves to RCI

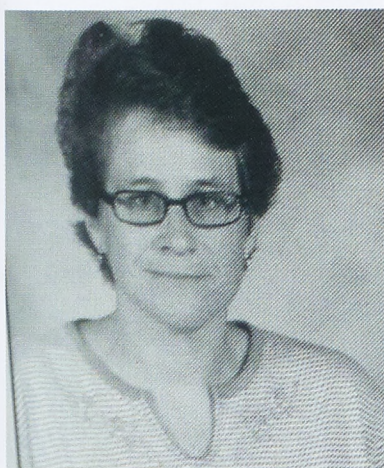

Ms. Sally Clements has been teaching both middle and high school art for the past 10 years. During this time, she was the yearbook advisor for seven years. She has also produced the annual fashion show for five years.

Next year, Ms. Clements will be adding two sixth grade art classes, two seventh grade art classes, an Art I class, and will be taking over the yearbook class at the intermediate school. With these new class additions, she will no longer be able to continue to teach at RHS. Ms. Clements is looking forward to not having to travel between schools, but will miss watching her students grow as artists and people from the beginning of middle school to the end of high school.

NEW DESTINATIONS

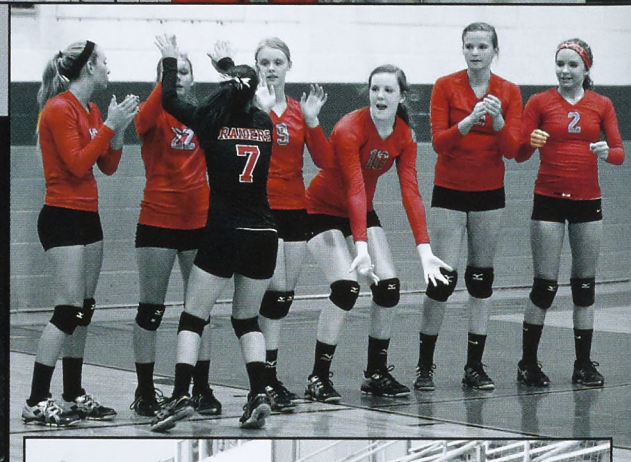

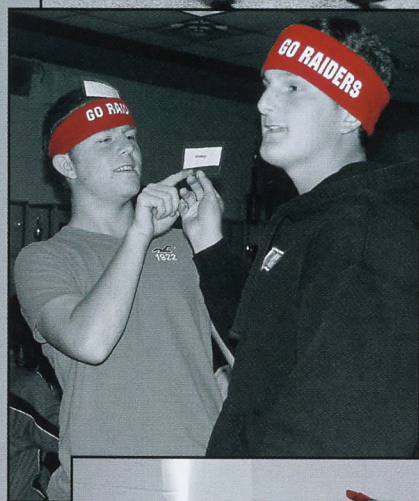

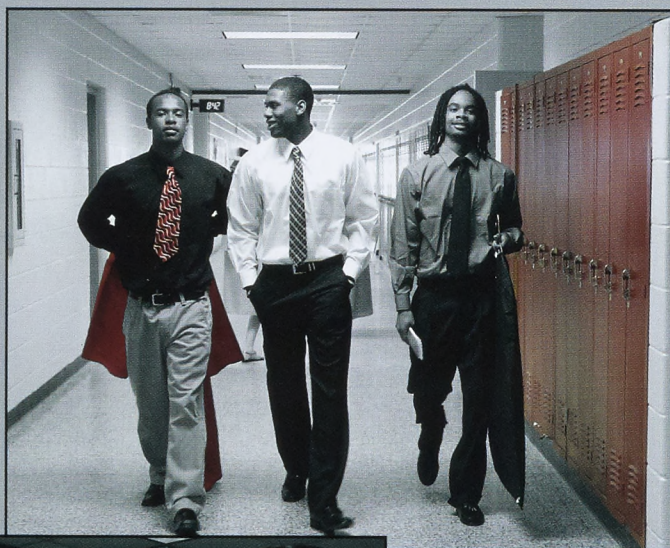

iAdios Jill Vargas!

For the past eight years, Spanish I, Spanish II, and Spanish Fluency have been taught by Mrs. Jill Vargas. Ms. Vargas will be moving to Western Branch High School in Chesapeake, Virginia to continue teaching Spanish next year. During her years at RHS, Mrs. Vargas has taken students on numerous college visits and sponsored the Hispanic Heritage Club. After leaving, she hopes another faculty member will take over organizing college visits for first generation college attendants, and she hands off future Hispanic Heritage events to Mrs. Hall.. Mrs. Vargas will be missed, and she will greatly miss all her students. She stated she will also miss working with her fellow faculty, especially Mr. Boyd.
